

# An invitation for MasterCard employees

to enjoy special savings at leading retailers and restaurants

To celebrate the U.S. launch of MasterCard Commerce Coalition,<sup>™</sup> the Global Product team invites you to experience the same exclusive savings that select MasterCard<sup>®</sup> cardholders are receiving on dining, apparel, entertainment, home improvement, and more!

Enclosed for you is an array of the compelling merchant offers being delivered to U.S. consumers this week on behalf of MasterCard issuers through the Commerce Coalition<sup>™</sup> program.

Through this direct marketing initiative, MasterCard Global Product, in partnership with MasterCard Advisors and Commerce Development, is leveraging its unique Commerce Intelligence capabilities to deliver exactly the right offers to cardholders—based on where cardholders prefer to shop, dine, and travel.

The Commerce Coalition is a perfect example of how we are using leading technology to differentiate MasterCard<sup>®</sup> products and services, advance intelligent commerce, and create connections that benefit everyone—on every side of the transaction.

Please use the enclosed coupons to experience Commerce Coalition for yourself. And if you are in Purchase on Tuesday, May 22nd, please join us in the Auditorium at 2 p.m. for refreshments and a live presentation about this exciting new initiative!

Enjoy!
